

CDMP Boot Camp Training and Certification

The Georgia Chapter of DAMA International is sponsoring a two-day CDMP Certification bootcamp. The boot camp will take place on Friday and Saturday, August 25th and 26th. There will also be an opportunity to take the CDMP certification exam at the end of Saturday on a pay-if-you-pass basis.

The boot camp will cost \$200 for a DAMA member, and \$275 for a non-DAMA member. If you become a DAMA member which costs \$50, you will be able to sign-up for the boot camp at \$200. There will be a \$50 deposit required to hold your seat for the bootcamp. The exam, if you pass, will cost \$300, payable on site.

You should have a copy of the DAMA DMBOK version 2, either in print or electronic format, with you for the bootcamp. You are allowed to use the DMBOK during the exam. The DMBOK book is \$60 on Amazon and the PDF is \$60 at dama.org.

CDMP Certification Details

The CDMP exam being offered at the end of the boot camp is the Data Management Fundamentals exam. It is required for all certification levels: Associate, Practitioner, or Master. You will have 90 minutes to answer 100 questions. For Practitioner and Master levels you must also pass two specialist exams within one year of passing the Data Management Fundamentals exam.

The specialist exams consist of the following:

- Data Modelling and Design
- Data Warehousing and Business Intelligence
- Reference and Master Data Management
- Data Integration and Interoperability
- Metadata
- Data Quality
- Data Governance

The CDMP Certification Levels are:

- Associate
 - Pass the CDMP Data Management Fundamentals exam with 60% correct.
- Practitioner
 - Pass the CDMP Data Management Fundamentals exam with 70% correct
 - Pass two specialist exams within 1 year with 70% correct
- Master
 - Pass the CDMP Data Management Fundamentals exam with 80% correct
 - Pass two specialist exams within 1 year with 80% correct
 - Minimum of 10 years industry experience. (You'll need to submit proof of experience and pay a \$50 administrative fee to cover verification of proof.)

CDMP Study Group Option

If there is at least 10 people interested, we will organize an 8-week virtual study group as an additional way to prepare for the exam at the cost of \$50 for DAMA member or \$75 for non-DAMA member. You would still be able to take the exam on August 26th. These would be weekly sessions with select sessions led by the same instructor that is running the Boot Camp.

Instructor Bio

Nicole Janeway Bills offers a proven track record of applying Data Strategy and related disciplines to solve clients' most pressing challenges. She has worked as a Data Scientist and Project Manager for federal and commercial consulting teams.
